- NEW WUGs in the 2026 Plan were determined by whether or not the utility used more than 100 acft (2015-2019)
 - **Retail public utilities** owned by a political subdivision
 - **Privately owned utilities** that request inclusion as an individual WUG, and are approved by the RWPG
 - **Collective Reporting Units (CRU)**, groups of retail public utilities that have a common association and are requested by the RWPG.
